

Glen Mar Church Policy for the Gathering Place, Lower Gathering Place, and Outside Amphitheater

The purpose of the Gathering Place is to promote welcome, a worshipful environment, discipleship, hospitality, fellowship, the exchange of information, age-group ministries, fundraising, and ministry awareness. All these functions are important in the life of the church.

The policy provides instruction for the uses of the Gathering Place, Lower Gathering Place, and Outside Amphitheater for events, activities, and ministries of Glen Mar Church at all times. All activities in the Gathering Place shall be consistent with the vision, values, and mission of Glen Mar United Methodist Church. This policy applies to all these activities.

Glen Mar Church will manage the Gathering Place, Lower Gathering Place, and Outside Amphitheater for all users to ensure adherence to this policy. The highest demand for these spaces is Saturday evening and Sunday morning. The Minister for Operations or designee is the point leader for the administration of this policy in collaboration with the Pastoral Team and the Board of Trustees. These spaces provide:

- A permanent presence for a Welcome Center.
- A permanent place for providing information about Glen Mar.
- A regularly scheduled presence for fellowship and refreshments for Saturday and/or Sunday before and after worship.
- A regularly scheduled presence for the Gift Card Program on a weekly basis, except during Festival Services for Christmas and Easter.
- A temporary presence for some activities that have reserved a space in the Gathering Place for a limited period of time.
 - A request for space and/or equipment must be sent by email or other written form to the Minister for Operations at least six working days prior to the first Sunday requested.
 - The number of spaces for ministries will usually be limited to four, including space for Gift Cards.
 - This presence in the Gathering Place may be, but is not limited to, advertising a ministry, drawing attention to opportunities in the Lower Gathering Place and Amphitheater, passively selling or taking orders for items supporting ministries, or passively distributing information flyers about Glen Mar ministries and events. Passive presence and activity at a ministry table include recruiting volunteers, taking donations, selling items or services, registering participants in an event, and/or distributing information about a Glen Mar sponsored activity or mission at a previously reserved table in the Gathering Place. After the last Sunday service, the display materials, sign-up sheets, signs, etc. used in promoting the ministry are to be removed by the ministry.
 - Each program, activity, event, ministry, and/or mission will be limited to two consecutive weeks. Exceptions may be made under unusual circumstances. Weeks need not be consecutive.

- Display signage for the designated ministry tables is limited to standing signs at the tables and/or signs attached to the tables until alternative hanging methodology is approved by the Board of Trustees.
 - Free-standing and tabletop easels are available if requested with a reservation.
 - Signs, flyers, and other advertising are best if computer-generated, legible, and attractive, as well as consistent with any church-wide publication design guidelines.
 - Signs taped to the windows and doors are not approved.
