AHA - Awakening.Honesty.Action	Idleman , Kyle	We've all had "aha!" moments in our lives, times when a sudden revelation surprises us with insight. According to pastor and bestselling author Kyle Idleman, we can experience this same kind of "aha!" in our spiritual lives. With everyday examples and trademark testimonies, Idleman draws on Scripture to reveal how three key elements can draw us closer to God and change our lives for good. Awakening to the reality of our true spiritual condition, we see ourselves and our need for a Savior with renewed honesty. This realization leads to action, obeying God's commands and following the example set by Christ. As we see in the transformation of the prodigal son, the result is a life-changing, destiny-altering collision—an AHA moment that leads us home to our loving Father.		Book (2)	None	All	Yes		Glen Mar

Celebration of Discipline The Path to Spiritual Growth	Foster, Richard J.	In the twenty years since its publication, Celebration of Discipline has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, Celebration of Discipline explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities-and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.	13 sessions 1988	Book, study guide	None	All			Offsite

Climb Higher - Reaching New Heights in Giving and Discipleship	Mckenzie , Scott	Climb Higher challenges the negative connotations associated with "stewardship" and invites congregations to completely change the conversation around this critically important topic. Instead of talking about the needs of the church budget, Climb Higher suggests a discovery of your congregation's compelling vision for ministry. Instead of selecting your stewardship leaders by default, CLIMB encourages the development of strong leadership through setting clear and challenging expectations. Climb Higher involves changing the entire culture of your congregation to one of gratitude, where conversations revolve around sharing God's abundance rather than holding on fearfully. Climb Higher encourages the sharing of ministry stories rather than pledging to a budget. And, finally, Climb Higher asserts that if you truly believe expressing generosity results in a deeper connection to God, you have no choice but to boldly ask others to become more generous givers.	160 pages - No Leader's guide or DVD	Book only	Beginning to Moderate	All			Glen Mar

Creed What Christians Believe and Why	Hamilton, Adam	We're used to answers popping up on a screen right in front of us. But when the questions examine the truths that give meaning and purpose to life, finding the answers takes more than simply typing a few words and pushing a button. Disappointment with God Three Questions No One Asks Aloud	Yancey , Philip	Philip Yancey has a gift for articulating the knotty issues of faith. In this 25th Anniversary edition of Disappointment with God, Yancey poses three questions that Christians wonder but seldom ask aloud: Is God unfair? Is he silent? Is he hidden? This insightful and deeply personal book points to the odd disparity between our concept of God and the realities of life. Why, if God is so hungry for relationship with us, does he seem so distant? Why, if he cares for us, do bad things happen? What can we expect from him after all? Yancey answers these questions with clarity, richness, and biblical assurance. He takes us beyond the things that make for disillusionment to a deeper faith, a certitude of God's love, and a thirst to reach not just for what God gives, but for who he is. Included in this anniversary edition is a study guide with questions about these perplexing questions of faith that the author confronts.	2015	Study guide with discussions questions included. Disciple 1 - Becoming Disciples Through Bible Study (DVD)	Disciple Series	DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders. The study gives the Old and New Testaments equal time, emphasizing the wholeness of the Bible as a revelation of God. DISCIPLE draws upon the work of scholars, the personal Bible reading and study of the participant, and dynamic group discussion to aid understanding of the Bible. This is a thirty-four week overview of the entire Bible. Meetings are 2 1/2 hours long.	Each member of the group needs a study manual and a Bible. The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual research and study-related activities. Space is provided for taking notes while reading Scripture, for recording thoughts and questions arising out of daily study, and for notes during the weekly group session. The titles of the sessions along with theme words and theme verses, and major persons, events, and topics will set the sequence of the biblical story in the minds of the participants. The principle Scripture for each session follows the chronological movement of the biblical story. Disciple 2 - Into the Word Into the World - Basic Resource Library	Disciple Series	Disciple: Into the Word Into the World is the second study in the four-phase Disciple program and is prepared for those who are graduates of Disciple: Becoming Disciples Through Bible Study. This study proclaims the transforming power of Scripture while teaching Bible study skills that take participants deeper into the Scripture. The importance of keeping Bible study related to witness is reinforced while participants are encouraged to practice spiritual disciplines arising out of Scripture for the purpose of changing habits and transforming lives. The study also emphasizes the rhythm of coming to God and going for God, of being in the Word and in the world individually and corporately. This study understands the growing Christian as under discipline in community and in ministry to the world. Disciple: Into the Word Into the World approaches all experiences of life as opportunities for faithful witness and service. This is a 32 week study. Meetings are 2 1/2 hours long.	Consists of a set of books that will be used weekly by group members for reading, study, and research. Some of the books will provide historical, cultural, and geographical information; some will enhance Bible study skills; some will explore topics related to the Scripture being studied; and some will aid personal spiritual growth. Each week the books in the library will be circulated among group members, and specific assignments will be made. Not every person in the group will have a special assignment every week, but those who do will report on the assignment in the next weekly group meeting. Instructions and assignments related to the Basic Resource Library will appear in the teacher helps and the study manual.	DVD Set, Set of books (Note: Barclay book (red) is missing). Disciple 3 - Remember Who You Are -	Disciple Series	Disciple III Remember Who You Are is the third study in the four-phase DISCIPLE program. The driving idea in this study is the connection between memory and identity as the people of God. The word You in the title is meant to be heard both in its singular form (the individual) and its plural form (the community). We are a community of memory. Participants in this thirty – two week study will read the major and minor Old Testament prophets, with the exception of Daniel, and will read the thirteen Letters traditionally attributed to Paul. To establish the historical context in which the prophets spoke for God, daily reading assignments draw also on the books of Deuteronomy through Chronicles. Several themes weave their way through the study – the call to remember; the call to repentance; the need for renewed vision; and the place of community. The prophets and Paul are continually calling hearers and readers back to their God and to a sense of who they are as a people “set apart”. This is a 32 week study. Meetings are 2 1/2 hours long.	Each member of the group needs a study manual and a Bible. The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual research and study-related activities. Space is provided for taking notes while reading Scripture, for recording thoughts and questions arising out of daily study, and for notes during the weekly group session. Disciple 4 - Under the Tree of Life	Disciple Series	Disciple IV Under the Tree of Life is the final study in the four-phase DISCIPLE program. The study concentrates on Old Testament Writings, the Gospel of John, the Epistles of John, James, Jude, and finally, Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads naturally to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion – toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest – home at last.	32-week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings.	DVD Set, Study Manuals (4), Teacher's Help, Handbook, Pins (26), Certificates (10)	In-Depth	All	In-depth		Glen Mar
Disciple Short Term Bible Study - Invitation to Genesis	Enns , Peter	"In the beginning..." These first words in Genesis may be among the most familiar words in all the Bible. Many readers of the Bible recognize Genesis as a book that describes the beginning of all things: the Creation. This is certainly true, but that is only part of the story—the creation of the world only takes up the first two chapters of a fifty-chapter book. What are the other forty-eight chapters about? This study approaches the book of Genesis not simply as a story of the Beginning, but as a story of beginnings from start to finish. Through this study, participants will be invited to listen afresh to the witness of this opening book of the Hebrew Bible, to understand more clearly God's purpose in beginning to form a people with the likes of Adam and Eve, Abraham and Sarah, and Jacob and Esau. This study takes groups into the rich tapestry of Genesis exploring the interaction between God and very human people - pride, family relationships, conflict and journey all showcase the best known stories of Creation, Noah, Abraham, Isaac, Jacob and Rebekah and Joseph. During the weekly video segments, travel into the scripture as you hear the Word, experience the grand artwork connected with each story and interview the scholar. Each week wraps up with a small group discussion on video to spark your own conversation. Participants for this Invitation to John do not have to have an in-depth knowledge of the Bible to enjoy and benefit from participation. Reading just two chapters of John a week, they will discover the life altering stories that will invite them to follow Christ as true disciples. Disciple Short Term Bible Study - Invitation to Psalms	Jinkins , Michael	When we read, hear, and pray the Psalms, we stand before texts that struggle mightily between the great promises of God and the sense of our own great need. In the Book of Psalms, the grand promise of the reign of God is constantly colliding with the gritty, historical experience of God's people. The struggle of God's people to make sense of who God is and who they are becomes as volatile as the grinding plates of continents. In response to this struggle, the writers of the Psalms can be heard both praising God's faithfulness and lamenting God's absence; both thanking God and complaining to God; both hoping in God and fearing for their future. In so doing, these writers have left behind profound texts of grace and glory unmatched in sacred literature. This study invites us to engage the Psalms at the deepest levels of our hearts, to plumb the depths of our own experience of God where God's faithfulness confronts the most challenging aspects of our lives, compelling us to ask, "How long, O Lord? Will you hide your face forever?" (Psalm 89:46a), and in the same breath pray, "Great is the Lord and greatly to be praised". Make a deeper connection to the world of the Psalms so that these well-known scriptures can help you give voice to all aspects of our human experience—joy, faith, uncertainty and sorrow. During two weekly video segments, experience a varied presentation of individual psalm texts, including dramatic reading, music, dance, and images.	Sessions: 60-90 minutes 1. Disciple Short Term Bible Study - Invitation to Romans	Eisenbaum , Pamela	Exploring how people have interpreted Romans through the ages is a good lens to view the history of Christianity itself. Compare what Paul writes in Romans to what theologians like Augustine, Luther and Calvin say in trying to understand Paul in their time. At the end of this study your group will have a more informed commitment to Paul's radical vision of God's relationship to both Christians and Jews and to their relationship to each other, thanks to the "love of God in Christ Jesus." The weekly video segments first present text read aloud against a backdrop of a wide variety of church settings followed by a conversation between a church historian and a church theologian about the text. The second weekly video is led by story teller, Michael Williams, who shares snapshot views of how Romans has been read through history. This study is meaty and extremely enjoyable for those students with some familiarity of Romans and with a strong biblical foundation to rely on.	Sessions: 60-90 minutes 1. Participants find a deeper conversation with the writers of the NT and a renewal of our commitment to be shaped—personally and communally—by the story of Jesus. In the weekly video segments, listen as scholars fascinate you with facts and information that opens new understanding and enlightenment for your group. In the second video, sit in on a table conversation between guest scholars and debate key issues in the text.	Sessions: 1. Jesus Calls Us Into God's Redemption Story 2. In the two weekly video segments, first gain insight from biblical scholars and then take a visual tour of archaeological sites, ancient artifacts, and other physical remains, related to and illuminating scripture and events. Eat This Book: A Conversation in the Art of Spiritual Reading	Peterson , Eugene	Eugene Peterson is convinced that the way we read the Bible is as important as that we read it. Do we read the Bible for information about God and salvation, for principles and "truths" that we can use to live better? Or do we read it in order to listen to God and respond in prayer and obedience? The second part of Peterson's momentous five-volume work on spiritual theology, Eat This Book challenges us to read the Scriptures on their own terms, as God's revelation, and to live them as we read them. With warmth and wisdom Peterson offers greatly needed, down-to-earth counsel on spiritual reading. In these pages he draws readers into a fascinating conversation on the nature of language, the ancient practice of lectio divina, and the role of Scripture translations; included here is the "inside story" behind Peterson's own popular Bible translation, The Message.	9 weeks 2nd in series 2005	Book & study guide Offsite - Book & 2 Study Guides	In-Depth	All			Glen Mar Offsite

Elijah - Remaining Steadfast Through Uncertainty	Getz , Gene A	Modern idols come in many forms: money, power, position, prestige. The story of Elijah is a vivid illustration that idolatry leads inevitably to divine judgment, and that as Christian men, we must take a strong stand against this world's system. The MEN OF CHARACTER series highlights the lives of men in the Bible and demonstrates that we can still learn from their relationship-both with God and man. Each of these Bible characters faced trials, frustration and failure, yet they were inspired by God to achieve great goals. In a world where Christian role models seem increasingly rare, this series reminds us that some of the most worthy examples of godly characters are still the biblical figures who brought power, wisdom and inspiration to God's people throughout the ages. Principles flow from their lives that will guide us through the maze of challenges we face in today's world and can help us to emerge victoriously. Final Words From the Cross	Hamilton , Adam	In life and in death, Jesus' words were powerful and meaningful. Despite the serious effort and increased pain required for Jesus to speak as he hung on the cross, Jesus spoke seven "final words"--statements that have much to teach us about Jesus, his Father, and ourselves: Father Forgive Them Behold Your Son...Behold Your Mother My God, Why Have You Forsaken Me? Today You Will Be with Me in Paradise I Thirst It Is Finished Into Your Hands I Commit My Spirit in 24 Hours That Changed the World, Adam Hamilton took us on a Lenten journey through the last day of Jesus' life. Now in this inspiring follow-up book, Hamilton explores these final words as seen and heard through the eyes and ears of those who stood near the cross. Each chapter begins with the biblical account followed by a first-person story as might have been told from the viewpoint of one of the characters at the cross. Then the chapter explores the meaning of Jesus' dying words for our lives today. Following the last statement, a postscript recounts the words Jesus spoke following his resurrection, including what truly were the final words Jesus spoke while walking this earth. Join the crowd now and experience the final words from the cross. Final Words from the Cross offers six chapters/sessions plus a postscript chapter/session, so that classes have the option of a seventh session on Easter Sunday.	6 or 7 sessions. 2011	Book	None	All			Offsite

Finding Balance Loving God with Heart and Soul, Mind and Strength	Stevens , Becca	In this six-week Sisters study, Becca Stevens will help you consider the question of balance in your life--between service and worship, duty and devotion, doing and being. Throughout the study, Becca brings powerful insights from her work in Magdalene, a residential community she founded for women with a criminal history of prostitution and drug abuse. As a part of the study, you will read from this Participant's Workbook each week, reflecting on the ideas presented and recording your thoughts and responses. Gospel Project for Adults Atonement Thread	Stetzer, Ed Wax, Trevin	The scarlet thread of atonement is woven throughout the Scriptures, from Genesis to Revelation. Once Adam and Eve tasted the forbidden fruit in Eden, the need for atonement was made painfully clear. Their separation and shame required the first drop of blood in God's good creation as He covered them with animal skins. The need for blood and sacrifice set the stage for humanity's need of a Savior. The Old Testament stories and prophecies foreshadow the coming One who would make atonement for sins with His own body and blood. From a rock struck for water and a serpent raised for healing to a man in the depths for a sign and a Servant suffering for the sins of others, the thread drives forward with a purpose and meaning. Finally, the image of the tapestry of Word and history is revealed. The crux of the creation is the Savior crucified for the sin of the world and raised again. The atonement is at the heart of the gospel, which is why God's people call everyone everywhere to believe in Jesus, to find their place in the thread that continues in a life of reconciliation and peace both now and for eternity in the city of the Lamb.	2014	Personal Study Guide, Leader Guide	None	All	Yes		Glen Mar

Half Truths - Gold Helps Those Who Help Themselves & Other Things the Bible Doesn't Say	Hamilton , Adam	They are simple phrases. They sound Christian—like something you might find in the Bible. We've all heard these words. Maybe we've said them. They capture some element of truth, yet they miss the point in important ways. Join Adam Hamilton in searching for the whole truth by comparing common Christian clichés to the message and ministry of Jesus. The clichés include: Everything happens for a reason. God helps those who help themselves. God won't give you more than you can handle. God said it, I believe it, that settles it. Love the sinner, hate the sin.		DVD, Leader's Guide, Book (3). He Chose the Nails; What God Did to Win Your Heart	Lucado , Max	Every gift from God reveals his love, but no gift reveals his love more than the gifts of the cross. These gifts came not wrapped in paper but in passion. They were not placed around a tree but around a cross. They were not covered with ribbons but sprinkled with the blood that Christ shed on our behalf. In this five-session video Bible study, Max Lucado explores the many gifts that Christ provided to us at his crucifixion. These include not only the gift of the cross, but also the gift of the thorns that pierced his brow. The nails that tore his flesh. The seamless robe that he removed for us. The empty tomb where he forever defeated sin and death. The hill of the cross is rich with the gifts of God's grace. These were gifts he didn't have to give. The only required act for our salvation was the shedding of blood, yet God did so much more. So, as we unwrap these gifts, we need to pause and listen for his voice. As we do, perhaps we will hear him whisper, "I did it just for you."	2016 study. The He Chose the Nails Study Guide includes video discussion questions, Bible exploration, personal study and reflection materials for in-between sessions, and an additional session for churches and small groups using this study as part of Lent. He's Still* Got the Whole World in His Hands	Stanley , Andy	How do we remain hopeful in a world that seems hopelessly broken? How do we continue to trust a God that seems conspicuously absent? How do we find peace in a world that is spinning out of control? If you've ever asked questions like these, you're not alone . . . and you're not the first. Uncertainty is nothing new. And the uncertainty we face today is no different from the uncertainty faced by the men and women of the Bible. And like them, we are left to question God's faithfulness, his presence, his concern. In this 3-part series we're reminded that . . . He's Still* Got the Whole World in His Hands.	3 sessions	DVD	None	All	None	None	Offsite
Hearing God Developing a Conversational Relationship with God	Willard , Dallas	"God spoke to me." "The Spirit spoke to my heart." "God revealed the idea to me." Being close to God means communicating with him--telling him what is on our hearts in prayer and hearing and understanding what he is saying to us. It is this second half of our conversation with God that is so important but that can also be so difficult. How do we hear his voice? How can we be sure that what we think we hear is not our own subconscious? What role does the Bible play? What if what God says to us is not clear? The key, says best-selling author Dallas Willard, is to focus not so much on individual actions and decisions as on building our personal relationship with our Creator. In this updated classic, originally published as In Search of Guidance, the author provides rich spiritual insight into how we can hear God's voice clearly and develop an intimate partnership with him in the work of his kingdom.	1999	Book, DVD	None	All			Offsite

Hudson Taylor's Spiritual Secret	Taylor , Howard	A spiritual biography of the "father of modern missions," Hudson Taylor's Spiritual Secret poses the question: What empowered Hudson Taylor's ministry in China? The answer: a fierce faith that believed God truly would fulfill the promises in His Word. Written by the missionary statesman's son and daughter-in-law, this book is intended for Christians who "need and long for just the inward joy and power that Hudson Taylor found." Hudson Taylor's secret, it turns out, is available to any who call on Christ's name. Compelled to share the gospel with the unreached people of China, Hudson Taylor devoted his life to this purpose. He modeled a life of utter dependence on Christ for both his spiritual and material needs. That was his secret and the reason for his lasting impact on the people of China and missions. "An easy, non-self-denying life will never be one of power," Taylor said. "Fruit-bearing involves cross-bearing. There are not two Christs--an easygoing one for easygoing Christians, and a suffering, toiling one for exceptional believers. There is only one Christ. Are you willing to abide in Him, and thus to bear much fruit?"	18 chapters	Book	None	All	<30 minutes/day		Glen Mar

Jeremiah - Daring to Hope in an Unstable World	Spoelstra, Melissa	When we look around at today's world, hope usually isn't the first word that comes to mind. In many ways we live in an unstable world where marriages fail, bank accounts run low, friendships end, and the everyday demands of a fast-paced life get us down. In the Book of Jeremiah, we find God calling out to His people with a message of hope—a message that intentional living is possible even in an unstable world. But how do we do this? Where do we start? Jeremiah offers women hope for living in an uncertain world by learning to navigate the challenges and circumstances of their lives. This six-week study examines God's words of instruction to His wayward people through the prophet Jeremiah, and provides women six guidelines for intentional living to overcome fear, worry, and doubt as they surrender their wills to God's and put their hope in Him alone. Combining rich study of the Book of Jeremiah with practical life application that resonates with the realities and experiences of today's women, this study inspires all women to dare to hope, remembering that God is rich in mercy and love and has good plans for us. Just Walk Across the Room - Four Sessions on Simple Steps Pointing People to Faith	Hybels , Bill	Building on the solid foundation laid in Becoming a Contagious Christian, Just Walk Across the Room signals the next era in personal evangelism. Pastor Bill Hybels's firm conviction is that the highest value in personal evangelism is being attuned to and cooperative with the promptings of the Holy Spirit. This means playing only the role you are intended to play—walking when the Spirit says to walk, talking when the Spirit says to talk, and falling silent when the Spirit suggests that you've already said enough. More than two thousand years ago, Jesus himself introduced the perfect model for evangelism. He left the marvelous adoration of the angels and the perfection of heaven, and he chose to "walk" clear across the cosmos. He had no memorized script, no forced formulas. Instead, he was armed only with an offer of redemption to people just like you and me, many of whom were neck-deep in pain of their own making. Today, the goal for every Christian is to reflect Christ's love and follow his example by taking simple walks across rooms—leaving our circles of comfort and extending hands of care, compassion, and inclusiveness to people living far from God. Hybels encourages Christ-followers to "live in 3-D"—developing friendships, discovering stories, and discerning appropriate next steps—as a means of learning to understand the Spirit's promptings. With fresh perspectives from his own reflections and experiences collected during his most recent decade of ministry, Hybels shows with undeniable clarity the power of this approach to evangelism. The stakes are high. The implications are eternal. And you may be only a conversation away from having unparalleled impact on someone's life—if you will just walk across the room. Losing Your Religion	Stanley , Andy	Religion can get pretty strange pretty quickly. Mystical. Superstitious. Legalistic. Judgmental. Hypocritical. But religion isn't going away. The human race has an insatiable curiosity regarding the divine. Since the beginning of time, men and women have established elaborate rituals and traditions in an attempt to bridge the gap between the seen and the unseen; between the sacred and the secular. And while each of these systems provided formulas for communicating with and securing the blessings of a particular deity, none provided the one thing humankind most desires—assurance. But with the birth of Christianity, all of that changed. In this 4-part message series, Andy Stanley explains how the message of Christ serves as the fulfillment of religion.	4 sessions	DVD	None	All	None	None	Offsite

Momentum for Life	Slaughter , Michael	Our culture constantly shows how leaders have failed—from Bill Clinton's indiscretions to Martha Stewart's deception, from the business collapse at Enron to the military meltdown at Abu Ghraib prison. Many church problems likewise can be traced back to a failure of leadership. Such problems are nothing new. Stories of leadership failures are chronicled throughout the Bible. "If you can't lead yourself, you won't be effective at leading others. Self leadership precedes strategic leadership." With this perspective, Michael Slaughter, lead pastor and chief visionary at Ginghamburg, explains his model for daily living, which he has adapted from the Psalms of Ascent. His five life practices for balance and self-leadership together form the acronym D-R-I-V-E: Devotion to God, Readiness for lifelong learning, Investing in key relationships, Visioning for the future, and Eating and Exercise for life. Taken together, these practices shape life as an upward momentum. They remind us that leadership is not about entitlement, but example. Every follower of Christ needs to find the self-management practices that create momentum for life and guard against the temptation to downsize God's dream. "God can't steer a parked car," Slaughter says. "God is looking for people who will take their lives out of park and shift them into drive." These leadership tools will inspire and show you how to sustain personal health, integrity, and strategic focus as a leader. Radical Taking Back Your Faith from the American Dream	Platt , David	WHAT IS JESUS WORTH TO YOU? "It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... BUT WHO DO YOU KNOW WHO LIVES LIKE THAT? DO YOU? In" Radical," David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to "believe "and "obey "what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring. Resurrection	Wright, N. T.	<p>Why did Christianity begin, and why did it take the shape it did? To answer this question – which any historian must face – renowned New Testament scholar N.T. Wright focuses on the key points: what precisely happened at Easter? What did the early Christians mean when they said that Jesus of Nazareth had been raised from the dead? What can be said today about his belief?</p> <p>This book, third in Wright's series Christian Origins and the Question of God, sketches a map of ancient beliefs about life after death, in both the Greco-Roman and Jewish worlds. It then highlights the fact that the early Christians' belief about the afterlife belonged firmly on the Jewish spectrum, while introducing several new mutations and sharper definitions. This, together with other features of early Christianity, forces the historian to read the Easter narratives in the gospels, not simply as late rationalizations of early Christian spirituality, but as accounts of two actual events: the empty tomb of Jesus and his "appearances."</p> <p>How do we explain these phenomena? The early Christians' answer was that Jesus had indeed been bodily raised from the dead; that was why they hailed him as the messianic "son of God." No modern historian has come up with a more convincing explanation. Facing this question, we are confronted to this day with the most central issues of the Christian worldview and theology.</p>		DVD lectures, Study guide 4 sessions	In-Depth	All			Offsite
Revolution Within A Fresh Look at Supernatural Living	Edwards, Dwight	<p>Rather than the Gospel being about our fulfillment, Pastor Dwight Edwards knows that the Gospel is all about God's glory. He also knows that the Gospel not only changes our legal position before God but also who we actually are. Edwards "thought my job as a pastor was to persuade people to do what they really didn't want to do and act like people they really weren't. But my calling is to tell them what God has done, stir up their holy appetites, provide some basic direction and turn 'em loose." Revolution Within does just that! In this book, you'll discover your God-given design as a Christian. You'll be motivated to godly living, not because you should or want to, but because God has already changed your heart. In recognizing your new purity, new identity, new disposition, and new power, you'll be empowered to enjoy "new intimacy with God, new liberty in daily living, a new community with other believers, and a new ministry through the Spirit."</p>	13 weeks 2001	Book & workbook - Glen Mar Book & Workbook - Offsite	In-Depth	All			Glen Mar Offsite

To help you understand this neglected truth in the deepest and most helpful way, author and counselor Larry Crabb has written a wise, hopeful, honest, and realistic examination of life's difficulties and tragedies. He wraps insights around the bold story of Naomi in the Bible's book of Ruth. The Christ-Centered Woman - Finding Balance in a World of Extremes (Women's Bible Study Based on Ephesians 3)	Reisman , Kimberly Dunnam	In this six-week in-depth Bible study, Kimberly Dunnam Reisman helps women to find balance at every age and stage of life. Confronting the daily chaos of competing demands from a new perspective, she asks not "How do I juggle my responsibilities?" but "How do I make choices that reflect my relationship with Christ and his direction for my life?" Using chapter three of the Apostle Paul's letter to the Ephesians as a biblical foundation, the study identifies barriers to balanced living and explores what the Bible teaches about Christ-centered living. Women will discover how being centered in the Savior can help us contemplate, sort, and prioritize our callings. Through it all, we come to experience Christ as Rock, Solace, and Guide and find him the calm center from which we can wisely navigate the responsibilities of our lives. The Participant Book guides women in a biblical study of Christ-centered living, using Ephesians 3 as a foundational framework. Five devotional readings are provided for each week. The interactive format includes space for responding to questions and recording personal reflections.	6-week study	Book, Participant's guide	In-Depth	Women			Glen Mar
The Christian Life Profile Assessment Tool	Frazeo , Randy	This comprehensive discipleship tool kit enables churches to assess the Christian beliefs, practices, and virtues of each member to help everyone grow. The training kit is based on the "Thirty Core Competencies" as outlined in the book The Connecting Church, also by Pastor Randy Frazeo. These thirty core competencies help churches know when they are making progress in guiding their members toward Christ-likeness. Each of the four sessions contains components such as video, lecture, leader-led discussion, large group discussion, and small group discussion. Individuals answer 120 questions about their Christian beliefs, practices, and virtues. Three friends also assess them in the virtues area. Using the results, individuals identify areas in which they would like to grow during the upcoming year. The resource guide provides plans to help realize the growth such as reading books, memorizing Scripture, attending a seminar, being mentored by a spiritual director, or engaging in a new spiritual discipline. The Christian Life Profile journey is experienced in a small group community that seeks to encourage, pray, and hold each other accountable for progress. The goal is to take the profile again, one year later, to monitor the journey. The complete kit includes a four-session Training Guide, a copy of The Christian Life Profile Assessment Tool, and a DVD to assist in training. What is the Helper's role and function in the Church? The forty "helps" are ideal as a devotional guide for the forty days of Lent and for group or individual study. The Jesus I Never Knew	Yancey, Philip	What happens when a respected Christian journalist decides to put his preconceptions aside and take a long look at the Jesus described in the Gospels? How does the Jesus of the New Testament compare to the "new, rediscovered" Jesus -- or even the Jesus we think we know so well? Best-selling author Phillip Yancey says, 'The Jesus I got to know in writing this book is very different from the Jesus I learned about in Sunday school. In some ways he is more comforting; in some ways more terrifying.' Yancey offers a new and different perspective on the life of Christ and his work -- his teaching, his miracles, his death and resurrection -- and ultimately, who he was and why he came. Relating the gospel events to the world we live in today, <i>The Jesus I Never Knew</i> gives a moving and refreshing portrait of the central figure of history. With a willingness to tackle difficult questions, Yancey looks at the radical words of this itinerant Jewish carpenter and asks whether we are taking him seriously enough in our own day and age. From the manger in Bethlehem to the cross in Jerusalem, Yancey presents a complex character who generates questions as well as answers; a disturbing and exhilarating Jesus who wants to radically transform your life and stretch your faith. The Jesus I Never Knew uncovers a Jesus who is brilliant, creative, challenging, fearless, compassionate, unpredictable, and ultimately satisfying. This honest book will help you discover a different Jesus from the flannelgraph Sunday school figure, the sweetly smiling Victorian Savior, and all the cultural clichés that have tamed Jesus and kept him in comfortable religious boxes. According to Yancey, 'No one who meets Jesus ever stays the same. In the end I found the process of writing this book to be a great act of faith-strengthening. Jesus has rocked my own preconceptions and has made me ask hard questions about why those of us who bear his name don't do a better job of following him.'	14 sessions 1995	2 books, leader's guide, 3 participant's guides, VHS tape	In-Depth	All			Offsite
The Jesus Way A Conversation on the Ways That Jesus Is the Way	Peterson, Eugene	A way of sacrifice. A way of failure. A way on the margins. A way of holiness. In <i>The Jesus Way</i> Eugene Peterson shows how the ways of those who came before Christ — Abraham, Moses, David, Elijah, and Isaiah — revealed and prepared the "way of the Lord" that became incarnate and complete in Jesus. Further, Peterson calls into question common "ways" followed by the contemporary American church, showing in stark relief how what we have chosen to focus on — consumerism, celebrity, charisma, and so forth — obliterates what is unique in the Jesus way.	11 weeks 3rd in series 2007	Book & study guide	In-Depth	All			Glen Mar Offsite

The Me I Want to Be	Ortberg, John	This book will show how God's perfect vision for you starts with a powerful promise. All those who trust in God "will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit" (Jeremiah 17:7-8). Ortberg urges you to recognize your brokenness, understand that God is the project manager, and follow His directions. The author first helps gauge your spiritual health and measure the gap between where you are now and where God intends you to be. Then he provides detailed tasks and exercises to help you live in the flow of the Spirit, circumventing real-world barriers—pain and sorrow, temptations, self-doubt, sin—to flourish even in a dark and broken world. As you start living in the flow, you will feel: — a deeper connection with God — a growing sense of joy — an honest recognition of your brokenness — less fear, more trust — a growing sense of being "rooted in love" — a deeper sense of purpose God invites you to join Him in crafting an abundant and joy-filled life. The Present Future Six Tough Questions for the Church	McNeal , Reggie	Many of the old beliefs held by church leaders and congregations read as if they are self-evident, irrefutable truths. If you build the perfect church they will come . . . Growing your church automatically makes a difference in the community . . . Developing better church members will mean better evangelism . . . Time has failed to produce the evidence of these claims. In this provocative book, author, consultant, and church leadership developer Reggie McNeal debunks these and other old assumptions and provides an overall strategy to help church leaders move forward in an entirely different and much more effective way. In The Present Future, McNeal identifies the six most important realities that church leaders must address including: recapturing the spirit of Christianity and replacing "church growth" with a wider vision of kingdom growth; developing disciples instead of church members; fostering the rise of a new apostolic leadership; focusing on spiritual formation rather than church programs; and shifting from prediction and planning to preparation for the challenges of an uncertain world. McNeal contends that by changing the questions church leaders ask themselves about their congregations and their plans, they can frame the core issues and approach the future with new eyes, new purpose, and new ideas. Written for congregational leaders, pastors, and staff leaders, The Present Future captures the urgency of a future that is literally now upon us, in a thoughtful, vigorous way. It is filled with examples of leaders and churches who are emerging into a new identity and purpose, and rediscovering the focus of their mission within new spiritual dimensions.	2003	Book, DVD, leader's guide, participant's guide	In-Depth	Leaders			Offsite
The Pressure's Off There's a New Way to Live	Crabb , Lawrence J.	There are two basic approaches to life's two pathways. One creates pressure, the other provides freedom in the Old Way of life, as best-selling author, psychologist, and spiritual director Larry Crabb describes it, you have decided that what you most want out of life is within your reach, and you are doing whatever you believe it takes to get it. But in the New Way of life, you have realized that what you most want is beyond your reach, and you are trusting God for the satisfaction you seek. You want Him. Nothing less, not even His blessings, will do. "The Old Way", the way most Christians define life and pursue fulfillment, is fundamentally wrong and harmful. It leaves us tired, in bondage, and feeling distant from God. But the New Way brings true freedom and refreshment as we tap into the power to draw closer to God in a personal way. We can't always make life work. But we can always draw near to God. There is a different way to approach our problems. There is a NEW WAY to live.	8 sessions 2004	Book, workbook	In-Depth	All			Offsite

The Prodigal God Recovering the Heart of the Christian Faith	Keller, Timothy	Newsweek called renowned minister Timothy Keller "a C. S. Lewis for the twenty-first century" in a feature on his first book, <i>The Reason for God</i> . In that book, he offered a rational explanation of why we should believe in God. Now, in <i>The Prodigal God</i> , he uses one of the best-known Christian parables to reveal an unexpected message of hope and salvation. Taking his trademark intellectual approach to understanding Christianity, Keller uncovers the essential message of Jesus, locked inside his most familiar parable. Within that parable Jesus reveals God's prodigal grace toward both the irreligious and the moralistic. This book will challenge both the devout and skeptics to see Christianity in a whole new way. Recently selected by The Christian Century as a featured "Take and Read" book (2007 book issue), Unbinding the Gospel is a book for Christians who want a hopeful, powerful, joy-filled way to learn to share their faith. Unbinding Your Soul - Your Experiment in Prayer & Community	Reese, Martha Grace	NEXT in the Unbinding the Gospel Series. With 40 day personal prayer journal. For small groups ready to invite... Unbinding Your Soul is the "unbinding" model for actual, invitational evangelism. Typical mainline churches get ready for the Unbinding Your Soul small group study with Unbinding the Gospel/Unbinding Your Heart "pre-evangelism." SOUL helps them invite unchurched friends or recent visitors to try an "experiment" (some churches call it a "test drive") of Christian faith and community. Many people who aren't connected with a church would love to try a no-obligation "experiment" of substantial spiritual discussion, prayer, and community. Unbinding Your Soul prepares church members to invite their friends into a four-week small group experience with short study chapters, an individual prayer journal, prayer partner activities, and group exercises. Unbinding Your Soul works for Growing, healthy churches, Churches that have done an all-church saturation study with the Unbinding the Gospel Series, New church starts, New members' classes, and "On fire" groups in typical churches. Note: Two copies will be needed per small group participant. Participants pray for the person to receive the extra book. Groups double. The Unbinding the Gospel Series is in over 12,000 congregations across the theological spectrum. The Christian Century, Alban Institute Congregations, Evangelism Connections, 8 heads of denominations, Brian McLaren, George Hunter & Richard Peace have endorsed it enthusiastically. The Series arises out of the only major national study of evangelism in mainline churches, funded by the Lilly Endowment. From the Unbinding the Gospel Series	This book is comprised of two four-week sets of "studies." One set is designed for church people, and the other is for "experiment" groups. The hope is that after working through the church-focused studies, the groups will want to invite others into the conversation. The twist to the book is its lay out. The series set for church people is found in Part Two (chapters 5-8), and the set designed for the experiment groups is found in Part One (chapters 1-4). You may, as the reader, begin to wonder why the book is laid out the way it is. After all, the set found in chapters 5-8 will likely be covered first. There is a rationale. Reese believes that it's rude to invite people to a study that is "half-way over." The Introduction will make all of this clear.	Part three of the book includes information on how to use the prayer journal, a facilitator's guide, and a pastor's guide.	None	All	Yes		Glen Mar
Vanishing Grace Whatever Happened to the Good News?	Yancey, Phillip	In his landmark book What's So Amazing about Grace?, Phillip Yancey issued a call for Christians to be as grace-filled in their behavior as they are in declaring their beliefs. He now returns to this vital subject, asking why Christians continue to lose respect, influence, and reputation in modern culture. Yet people everywhere still thirst for grace. How can Christians present truly Good News amid the changing landscapes of our time? Why do so many people dislike Christians? How can we communicate faith in an appealing way to future generations? Using his trademark journalistic style—story-filled, compelling, accessible—Yancey explores how grace can bridge the gap between Christian faith and a world increasingly suspicious of it.	5 weeks- approx. 20 minute DVD per week 2014 5 sessions	Study guide & DVD Offsite has 2 study guides & DVD. What's So Amazing about Grace?	Yancey, Philip	In 1987, an IRA bomb buried Gordon Wilson and his twenty-year-old daughter beneath five feet of rubble. Gordon alone survived. And forgave. He said of the bombers, "I have lost my daughter, but I bear no grudge. . . . I shall pray, tonight and every night, that God will forgive them." His words caught the media's ear—and out of one man's grief, the world got a glimpse of grace. Grace is the church's great distinctive. It's the one thing the world cannot duplicate, and the one thing it craves above all else—for only grace can bring hope and transformation to a jaded world. In What's So Amazing About Grace? award-winning author Philip Yancey explores grace at street level. If grace is God's love for the undeserving, he asks, then what does it look like in action? And if Christians are its sole dispensers, then how are we doing at lavishing grace on a world that knows far more of cruelty and unforgiveness than it does of mercy? Yancey sets grace in the midst of life's stark images, tests its mettle against horrific "ungrace." Can grace survive in the midst of such atrocities as the Nazi holocaust? Can it triumph over the brutality of the Ku Klux Klan? Should any grace at all be shown to the likes of Jeffrey Dahmer, who killed and cannibalized seventeen young men? Grace does not excuse sin, says Yancey, but it treasures the sinner. True grace is shocking, scandalous. It shakes our conventions with its insistence on getting close to sinners and touching them with mercy and hope. It forgives the unfaithful spouse, the racist, the child abuser. It loves today's AIDS-ridden addict as much as the tax collector of Jesus' day. In his most personal and provocative book ever, Yancey offers compelling, true portraits of grace's life-changing power. He searches for its presence in his own life and in the church. He asks, How can Christians contend graciously with moral issues that threaten all they hold dear? And he challenges us to become living answers to a world that desperately wants to know, What's So Amazing About Grace?*	10 sessions 2002	Book, DVD, participant's guide	In-Depth	All		Offsite

When Christians Get it Wrong	Hamilton , Adam	More and more young adults have opted out of Christianity and the church. The reason? Christians. When young adults talk about the problems they have with Christianity and the church, they often name certain attitudes and behaviors they believe are practiced too often by Christians: judging others, condemning people of other faiths, rejecting science, injecting politics into faith, and being anti-homosexual. With his familiar style, Adam Hamilton tackles these issues and addresses the how's and why's of Christians getting it right when it comes to being Christ in the world. Those who read When Christians Get It Wrong will gain a different way of understanding the issues that keep people away from Christianity and keep Christians from living a more compelling faith. Because, honestly, if we don't start getting it right, we may lose an entire generation.	Topics include the ways in which Christians act that are not Christ like; Creationism vs. evolution; Non-Christians and Christian Exclusivism, Christian Universalism, and Christian Inclusivism (who is saved and who is not); Is God a "micromanager"; and do bad things happen "because God has a reason that we don't understand", or do bad things "just happen"? 2010	DVD, Leader's Guide, Participant's Guide (7)	None	All	<30 minutes/day	Great study, but very basic	Glen Mar Offsite

In this biblical guide to authentic repentance and restoration Beth examines why devoted followers of Jesus Christ can fall into the traps of Satan. Believers are still subject to Satan's attacks. He is determined to disrupt the lives of Christians, destroy their ministry, and steal their joy. Sadly, those who have "fallen" may not recognize the devil's schemes until they have already been caught in a snare of defeat. This six-week study is written in three parts. The first part is a warning to believers, while the second part shows women how to prepare for attacks by the Enemy. The third part is directed to those who have been snared by seduction, and compassionately points the way back to God.		Participant's Guide (7). Why? Making Sense of God's Will	Hamilton , Adam	Where is God when tragedy and suffering strike? When the ground shakes, and a poor nation's economy is destroyed; when the waters rise, washing away a community's hopes and dreams; when a child suffers neglect and abuse; when violence tears apart nations; where is God? If God is all powerful, and if each one of us is a beloved child of God, then how can God allow tragedy and suffering to infest his creation? In Why?, best-selling author Adam Hamilton brings fresh insight to the age-old question of how to understand the will of God. Rejecting simplistic answers and unexamined assumptions, he lays out core ideas for comprehending God's plan for the world, including: God will not take away our free will, even when we use it to grieve him. God will never abandon us, especially in the midst of our suffering. While God is not the author of suffering, God will bring blessing out of tragedy.	2011	Book (2 copies) Leader's Guide & DVD is also available, but not in the library.
